

Veterans In Tech

Don't Miss This Opportunity to Launch or Advance Your Career in Information Technology

If you are a veteran who is currently training in IT/Computer Science or already have your degree or certification, this free program is for you!

Resources Offered to Vets:

- Free certifications
- Employment counseling services
- Job fairs with top industry employers
- Paid certifications in the IT/computer science field
- Tutoring to prepare for certification exams
- Eligible expenses paid for those veterans with gaps in tuition
- Services available to family members of veterans

Community Partnership Opportunities!

If your organization serves Veterans with experience in computer technology, the JVS Veterans First team will work with you to place them in open positions in this field. Call today to learn more.

Potential Jobs:

- Help Desk
- Software Engineer
- Web Developer
- Cybersecurity
- Computer Forensic Investigator
